

BECAUSE YOUR EMPLOYEES ARE YOUR MOST VALUABLE ASSET

The most cost-effective way to keep your workers compensation premiums low is to prevent workplace accidents in the first place. Today, employers need to understand how to provide a safe and healthful workplace for their employees and how to implement systems that deliver the best possible care and speedy return to work should those employees suffer injury on the job.

Penn Millers Insurance is pleased to announce that it has partnered with Lynch, Ryan & Associates, Inc. a management consulting firm specializing in workers' compensation cost controls to create a unique workers compensation web portal for our policyholders.

ComPENNsation will provide you with the tools and information you need to encourage workplace risk management and maintain a functional return to work program.

ComPENNsation creates a convenient, single point of access to a collection of instructional materials, resources, downloads, videos and access to up-to-the-minute information from Lynch Ryan's award winning Workers' Compensation blog.

Learn how to:

- Establish and Effective Safety Committee
- Understand how the Experience Modification works
- Promptly report all injuries
- Aggressively pursue modified duty
- Prevent Injury Recurrence
- Train supervisors and employees
- Track performance
