Penn Millers Introduces Workers Compensation Toolkit

WILKES-BARRE, PA (July 6, 2011) -- Penn Millers Insurance Company is pleased to introduce CompENNsation, a web-based workers' compensation toolkit for agents and insureds.

CompENNsation provides a convenient, single point of access to a comprehensive collection of workers' compensation information, resources and tips to help employers proactively manage workers' compensation claims.

According to Keith A. Fry, CPCU, Senior Vice President of Commercial Business, "Penn Millers is providing our customers a quick and easy gateway to all things workers' compensation. We are excited to provide an educational resource customers can integrate into their loss control programs to help manage workplace risks, minimize on the job injuries and reduce costs."

CompENNsation features experience rating educational and training resources, safety tools including video, a forms library and the latest industry news. Penn Millers partnered with Lynch Ryan, a Wellesley, Massachusetts-based management consulting firm specializing in workers' compensation cost controls, to develop the portal.

Penn Millers Holding Corporation provides property and casualty insurance through its wholly owned subsidiary, Penn Millers Insurance Company. Penn Millers Insurance Company provides agribusiness insurance and commercial lines insurance in 34 states. The Company is located at 72 North Franklin Street in Wilkes-Barre, PA. The Company's web address is <http://www.pennmillers.com>.
