

Built-In Employment Practices Liability Insurance

Your clients expect you to provide the coverage they need.

CHUBB

Chances are your small-to-medium sized business clients will face an employment claim.

In today's workplace, businesses must protect themselves from employment claims. Discrimination, sexual harassment and wrongful termination are just some of the charges that employees can file at any time with potentially devastating financial consequences to the business. Yet, it can be difficult for small-to-medium sized employers to find affordable insurance protection, leaving them exposed to lawsuits that can be costly to defend, even when the allegations are found to be groundless.

Chubb Agribusiness offers \$100,000 of built-in Employment Practices Liability (EPL) coverage with every Commercial Ag quote* to help protect your clients against employment-related claims that can devastate a business.

* Where applicable. Not available in all states.
